Police Officers

WHEREAS, the City of Glenarden, Maryland (“the City”) maintains a Police Department (“Police Department”) for the protection of the public health, safety and welfare; and

WHEREAS, in order to protect the public health, safety and welfare, the Police Department must maintain the necessary equipment; and

WHEREAS, two new police vehicles will require certain equipment to properly serve the needs of the Police Department, including hand held radios; and

WHEREAS, Section 818 of the City Charter requires that the City engage in a competitive bidding process for the procurement of goods and services with an estimated cost exceeding \$2,000, except that whenever a federal, state, county or local government, or any agency thereof, whose purchasing policies are comparable to those of the City, has conducted a bid and awarded a contract, the City may purchase by contract the bid item at the bid price from the successful bidder, subject to the approval of the Mayor and Council; and
