

## Mayor Estes and the Maryland Black Mayor's Association invite Prince George's County residents to lower their electricity bills and weatherize their homes through the BlockChain Frontier Foundation's Weatherization Program; funded by the Maryland Energy Administration.

### Programs

The BlockChain Frontier Foundation Weatherization Program assists income-eligible homeowners and renters with housing durability and weatherization upgrades, which result in energy efficiency and lower electricity bills.

### Ineligibility

False Income Statements, Aggressive unleashed dogs, Drug use on the premises, Threats to auditor, Structurally inadequate property, Rental property, and other unsafe conditions disallowed by grant specifications.

BlockChain Frontier Foundation ofrece actualizaciones de climatización para los residentes del condado de Prince George a través de una subvención de la Administración de Energía de Maryland
