Subject: Correction to Property Tax Billing

Glenarden Residents,

This Letter is to inform you that a corrected property tax bill for the period July 1, 2021 – June 30, 2022, will be sent to you from the PG County Office of Finance. Please disregard the previous bill reflecting the rate of \$0.3579.

A special City of Glenarden council meeting was held on Tuesday, July 13th, 2021, where the council voted on a reduced constant yield tax rate of **\$0.3481** for fiscal year 2022. This information was not provided timely to the Prince George's (PG) County, Office of Finance to provide appropriate time to prepare for billing. Consequently, tax bills originally mailed included the incorrect rolled over constant yield rate of \$0.3579 for the prior fiscal year (2021).

Please accept our apology for this issue, knowing that we are in the process of strengthening our Administration Departments to be timelier and more accurate and effective in the execution of the business of the City of Glenarden. Should you have any questions or concerns associated with this matter, direct your calls or emails to the City of Glenarden - Finance Department at (301)773-2100, or email to Finance@cityofglenarden.org.

Sincerely yours,

Dayan Dean Stewart
